HISTORIC AMERICAN BUILDINGS SURVEY

FRIZEL-WELLING HOUSE (Juliette Grainger House)

HABS No. MO-1318

Location: Jackson, Cape Girardeau County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Two and one-half story frame section, now wing, built by Joseph Frizel. The main portion was built ca. 1838 by Charles Welling, who came to Jackson from New England and designed his house after those in the East because, as local tradition states, "he wanted a New England home out here."

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp, HABS historian. A master list is available in the records for MO-1800.
